

Minutes of the Planning Commission-7pm
Meeting-held on July 17th, 2008/Twp. Office

Meeting called to order by Chair-Jim Pope at 7pm.

Members Present: Jim Pope-Dave Johnson, Mike Rexford, Jim Morgan, Traverse Scholz, Ted Shepardson
Members Absent: Shelley Worley. Public present: Sharon Olson

Chair-Jim Pope read the changes on Draft#5 that were made to the proposed Ordinance on Wind Energy Systems, as highlighted in bold print. All members agreed on the changes and additions.

The school project was brought up for discussion by Traverse. He was wondering if there would be a time frame for a project and would they have to secure a permit and how would we know if it was a school project.

Ted proposed that they would need to bring in documentation from the school that it was a school project, and it would be decided at that time if a permit was needed. All members agreed. No further discussion.

Jim Pope will take the changes to Main St. Planning. Next regular scheduled meeting will be held on Aug.21st, 2008-7pm.

Motion to adjourn was made by Ted, seconded by Jim Morgan. Adjourned at 7:35pm

Respectfully submitted,

Mike Rexford-acting secretary
